## OU CKI

OU CKI is through for the spring semester. They have their officers in line for the Fall and are already planning for the start of the fall semester. Their goal is to charter next September so that they can get the incoming freshman in as charter members.

The CKI group participated in Relay for Life on the OU Campus this past Saturday. For those who are unfamiliar, the relay starts at 6:30 PM on Saturday night and lasts until 7AM Sunday morning. The students walked for Cancer Research and Education. When not on the track they camped out on the North Oval in a carnival style atmosphere. It was a very entertaining evening for a very good cause. 12 members participated.
