Prayers Please...

Paul Weisendanger as he continues to improve, and his wife Helen is recovering from a broken thumb.

Helen Grover had a fall where she broke some ribs. She is scheduled for surgery soon and is at home with her daughter for the time being.

Louis McClure was back with the club and feeling much better. He has completed his round of chemotherapy treatments.

As of last week, Past Div 30 Lt. Gov Ensy McAllister had been released from the hospital to a convalescent center in Shawnee.

For any members out sick or recovering from colds, etc this time of year.

For a productive year of service to the youth and needy in our communities.

As always, please remember those brave men and women who serve our country and help protect it with their lives. Please pray for the safety and speedy return of our troops overseas!

“May the Lord bless and protect you; may the Lord’s face radiate with joy because of you; may He be gracious to you, show you His favor, and give you His peace.”

PCN Key Club

The Key Club has completed their 2006-2007 school year and is on break until school commences again in the fall.

OU CKI

OU CKI is through for the spring semester. They have their officers in line for the Fall and are already planning for the start of the fall semester. Their goal is to charter next September so that they can get the incoming freshman in as charter members.

Their next event is Summer Reunion. This is an optional even for members and FLIPers (incoming Freshman—formerly Key Clubbers) that includes service and fellowship. It will take place July 13-15 at Cleburn State Park in Cleburn, TX. The cost is \$50 per participant and includes room and board costs. If you know any Senior Key Club Members that would be interested, please have them contact Kelly Wood (safeswim@yahoo.com).

Project Updates

- Mayfair came out in full force for the Special Olympics in Stillwater last Friday. It was a memorable experience for all who served. Mayfair volunteered at the finish line. The look of joy and determination on each participant's face was truly inspiring.
- We will be packing lunches for the Food Bank on 5/23. There will be 2 shifts during the day. Sign up by contacting Billie Willis. The shifts are from 8-12 and 1-4.
- Mayfair is proud to welcome the 2 newest members of the club. Todd Krout and Carolyn Buben were inducted into the club this morning. We look forward to their new ideas and participation in the club. Make sure to introduce yourself to our new members and make sure they continue to feel welcome.
- Don't forget, the membership drive has been extended. Invite friends and co-workers to come to a meeting with you. Go meet a neighboring business professional and ask them to come to the most enjoyable Kiwanis meeting in Division 19.
