# Troop Care Packages

Deanna Allen reported that Joe Glenn (head football coach for Wyoming) heard of our care package project and donated \$50 to the cause!

Ken Stone read a report from the front. His son emailed that their unit went on a school drop in Bakariya. The drop included winter clothing and school supplies (some of which Mayfair sent in care packages) were given to the children, teachers, and family members of the impoverished town. Many of the children who benefited from the drop are orphans due to the tragedies of war. Col. Stone writes, "The gifts from your Kiwanis Club brought joy into the hearts of some people who haven't known much joy in quite a while."
