Thursday, September 28 -By Chet Ferguson

Things are always exciting at Mayfair. Louis McClure was in charge of the pledge (saying *one nation under God.. almost with a vengeance when they do it*) was recited before the prayer led by Don Smith and followed with a rousing rendition of *God Bless America*.

Our regular piano player was missing and Ken Nash did a great job as a substitute. That extra enthusiasm probably came from his emotional high after the St. Louis Cardinals had won a game following a tough string of losses. Incidentally, did you realize that Helen Grover is probably the first female member in Division 19. Helen was already our regular piano player when female members were approved at the Washington DC Convention in 1986. When the members returned from the convention, Helen was already a member. Tony was in good style as he led the singing but his dance steps were somewhat subdued. Ken will probably talk to his neighbor about his dance steps before he plays again. Milford J. Clayton counted church attendance at 74.2% Chuck Felz introduced new Lt Governor Dolores Booth. Chet Ferguson awarded the handshake dollar to Don Smith who had shaken Chet's hand a second time to win.

Billie Willis was in fine form as she conducted her first official meeting. Paul Wiesendanger continued as substitute secretary in Avonne Curtis' absence. No official word of Avonne's return and no official word on Robert E. Lee. Don Smith reported that Bob had told him he would call him when he was ready to return. Danny Payne sat with the common folks for the first time following a very successful year and seemed to be handling his new position well. Deanna Allen was present and seemed in good spirits if not physically perfect. Leon Chicoraske said he was doing well after his second treatment for his lip. Merle Mayberry reported that Bean Day preparations were going well and that Don Smith was securing the ham from Crest. Louis McClure assured everyone that more tickets were available if the members needed them. Leon Chicoraske reported that work assignments were going well.

Don Henderson was Kiwanian of the week and brought Stacey Ninness from Neighborhood Services Organization, Inc. Bob Green accompanied Stacey. Stacey did an excellent presentation on one of the city's great organizations that help many people including many "street people". We had speakers from this organization many years ago and the change in statistics made us proud of our great city.

PRAYERS, PLEASE ...

Avonne Curtis continues to recover in Tulsa.

Paul Wiesendanger said to keep praying about his foot and leg. Paul and Martha's move to Mustang is progressing slowly. Martha reports that they may be complete by Halloween. They have lived at their 51st street address for 26 years.

Mary Cowarts, friend of the District and wife of Mel Cowarts, has been diagnosed with lung cancer.

Robert E. Lee is continuing his therapy from his heart surgery and hopes to be back soon.

City Rescue Mission would like us to keep them in our prayers as they continue to serve those in our community without homes and to provide hope for those in need.

Kelly would like to give a special thanks to Chet Ferguson (along with his consultants Merle Mayberry, Don Henderson, and Paul Wiesendanger) while she was out with a sinus infection.

Please remember to pray for the men and women serving their country and protecting our freedom with their lives.

OU Circle K Needs YOUR Help!

The University of Oklahoma is attempting to charter a chapter of CKI. In order for the club to charter, they need to find a Faculty Advisor. Please contact Kelly Wood if you know of any faculty at OU who might be interested in sponsoring the collegiate branch of the Kiwanis Family.
